Here's a new image of Henley On Thames, just down the road from the showground.

Landscape Photography Courses

The next available course is:

Peak District 1 day Photo course at Goyt Valley, 3 Shire Heads and Chelmorton, Saturday 6th July 2013, £150 per place, 3 places left.

Our courses offer full days of practical photography, 5 people with 2 tutors (Dave and Jan Butcher) in an enjoyable atmosphere. We cover both black and white and colour and they are suitable for digital and film camera users from complete beginners to advanced photographers. Overall, we help you to be more creative with your photographs, producing images with more impact. Book through [our web site](#).

Private photo courses: All courses can be run as private courses. Prices for all locations are [shown on the web site](#). If you can't make the dates in our programme or would like more attention than is possible in a group, or have special needs, or maybe you have your own group, then talk to us about what we can do for you. Check my [web calendar](#) for available dates.

Darkroom Printing Courses

The darkroom printing courses are £160 per place and include all paper and chemicals, as well as the day of darkroom tuition from Ilford Master Darkroom Printer Dave Butcher. Ilford subsidise the cost of the paper and chemicals used on the courses for which there is no extra charge. There are 2 places on each course so you are assured of lots of attention during the day. No previous experience needed but you will get more out of the course if you have a few negatives of your own.

Next available course: Sunday 7th July, 1 place left

Private darkroom courses available on dates to suit you, more details on the web site.

Experience Film Photography and Darkroom Course

We are running 2 day courses to experience film photography. The one that was planned is fully booked but we can arrange more if you would like to do that. The first day will be black and white landscape photography with film cameras (provided if you don't have your own) followed by a second day in the darkroom processing your films from the day before and then making prints large enough to go on your walls. There are just 2 places to ensure you receive lots of attention and the price is £300 including all film and paper, and a buffet lunch on the darkroom day.
